

Instructions for Completion of 2006-2008 Biennial License Renewal Application

(Bingo, Lottery by Pickle Card, and Lottery/Raffle)

IMPORTANT — PLEASE READ

Enclosed are your 2006-2008 license renewal applications for bingo, lottery by pickle card, and lottery/raffle. In an effort to simplify the renewal process, we have preprinted on the applications a portion of the information that you have submitted on previous applications.

As you complete the applications, **review carefully all of the preprinted information.** If any of this information is incorrect, mark through the incorrect information and fill in the correct information. Please type or print legibly.

Information such as the bank account information and location of records for your organization has not been preprinted on the application. If any of that information has changed, please include notification of these changes with your renewal applications.

The renewal applications are printed as one-part forms. This means that you must make a copy of the completed forms to retain in your records. **All bingo license applicants must also make a copy of the completed forms to submit to the local city or county clerk in order to obtain the required local bingo permit.**

As you complete your renewal application, please refer to this pamphlet for additional instructions. Please indicate on your license application the name and daytime telephone number of an individual for our office to contact regarding the completion of the license application. All applications to renew bingo and pickle card licenses must be submitted no later than August 15, 2006 unless the application applies only to a limited period bingo occasion or special function pickle card activity. An application for renewal of a lottery/raffle license must be submitted at least 30 days prior to the date the organization intends to begin selling tickets. Please make a copy of this application for your records. **IF YOU ARE NOT RENEWING YOUR LICENSE(S), PLEASE INDICATE NOT RENEWING ON THE LICENSE APPLICATION AND RETURN IT TO OUR OFFICE.**

Applications postmarked by the due date will receive priority. Any organization whose application is postmarked after the August 15, 2006 due date may not have a 2006-2008 license by October 1, 2006. Any organization not holding a 2006-2008 license on October 1, 2006 must cease all gaming activity until it has physical possession of such license. An administrative fine up to \$1,000 plus any financial benefit gained may be imposed on all applicants not filing their license renewal applications on time. **THE REQUIRED LICENSE FEES TO BE REMITTED ARE PRINTED ON EACH APPLICATION. PLEASE VERIFY THE CORRECT AMOUNT HAS BEEN INCLUDED WITH YOUR LICENSE APPLICATION.**

Licensing Restrictions

The Nebraska Bingo Act, the Nebraska Lottery and Raffle Act, and the Nebraska Pickle Card Lottery Act set forth various licensing restrictions which are intended to prevent an individual from having different licensing responsibilities within the same organization or among several different organizations. Included are the following restrictions:

Gaming Manager

An individual licensed as a **gaming manager** cannot be designated as a **bingo chairperson** or **alternate bingo chairperson** nor can an individual licensed as a gaming manager hold any other type of license issued under the Nebraska Bingo Act, the Nebraska Lottery and Raffle Act, and the Nebraska Pickle Card Lottery Act. **(Section 9-232.01(6) of the Nebraska Bingo Act)**

Utilization of Funds Member and Sales Agent

An individual licensed as a **utilization of funds member** cannot be licensed as a **sales agent** nor can an individual licensed as a **utilization of funds member** hold any other type of license issued under the Nebraska Bingo Act, the Nebraska Lottery and Raffle Act, and the Nebraska Pickle Card Lottery Act. However, an individual licensed as a **utilization of funds member** may be designated as a **bingo chairperson** or **alternate bingo chairperson** for the same organization. **(Section 9-232.01(7) of the Nebraska Bingo Act.)**

An individual licensed as a **utilization of funds member** or **sales agent** cannot be an owner, partner in a partnership, member in a limited liability company, or corporate officer or director of a corporation licensed as a pickle card operator.

An individual licensed as a sales agent shall not have any interest, directly or indirectly in a business licensed as a pickle card operator. **(Sections 9-329.01(3) and 9-329.03(3) of the Nebraska Pickle Card Lottery Act and Regulation 35-309.10 of the Pickle Card Regulations)**

An individual licensed as a **sales agent** who is a trustee or on the board of directors or governing committee of the licensed organization for which he or she will be licensed as a sales agent cannot receive any commission, salary, or other compensation for his or her work as a sales agent. However, reimbursement for reasonable and necessary expenses incurred by the sales agent is permissible to the extent the licensed organization does not exceed on an annual basis the overall eight percent of definite profit expense limitation. **(Section 9-329.01 of the Nebraska Pickle Card Lottery Act and Regulation 35-308.07A of the Pickle Card Regulations)**
